

Spring Digital Chamber Guide

2026

Welcome to our digital guide created to highlight and support the local businesses that make our community a great place to live, work, and shop. The hard work and dedication of our local business owners help keep Pleasant Hill strong and connected.

As you look through this, we encourage you to not only learn about these businesses but also visit them, follow them on social media, and leave a positive Google review if you've had a good experience. Whether you're meeting friends for dinner, planning a family outing, or searching for the perfect gift, choosing to shop local makes a real difference. Supporting local businesses isn't just something we do during the holiday season—it matters all year long.

Inside this guide, you'll find information about the Pleasant Hill Chamber of Commerce, including our events, Board of Directors, membership benefits, and a directory of our members with clickable links to their business pages.

The Pleasant Hill Chamber of Commerce works to support our local businesses and create opportunities for connection within our community. If you have any questions or would like help connecting with one of our members, please reach out to us at director@pleasanthillchamber.org.

Thank you for supporting local.

Sincerely,

Becca Squiers
